MORPHOGENESIS

MISCELLANEOUS OFFICE COMMUNICATION

MS Post Issue
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

By way of background, on April 12, 2002, Applicant's attorney spoke with Examiner Brumbeck regarding proposed amendments to claims 13, 22 and 23. An Interview Summary (Paper No. 14) was mailed by Examiner Brumbeck with the Notice of Allowance on September 10, 2002 indicating that she "will consider the data presented with the amendment after final as well as data previously presented with amendment B upon receipt of the formal amendment after final."

On December 10, 2002, Applicant mailed payment of the issue fee, submitted formal drawings, and an Amendment under 37 C.F.R. §1.312 amending claims 22 and 23 and adding claims 24-55. Claims 24-55 added no new matter and support can be found in the specification for these claims. Additional fees were paid for the new claims at the time the amendment was filed. Attached as Exhibit "A" are copies of the following documents received by the U.S. Patent and Trademark Office on December 16, 2002:

1. Issue Fee Transmittal – 1 page
2. Fee Transmittal, 1 page (in duplicate)
3. Amendment Under 37 CFR 1.312, 6 pages
4. Drawings Transmittal, 1 page
5. Formal Drawings, 2 pages (Figs. 1-4)
6. USPTO date stamped Dec. 16, 2002 - Return Postcard

On September 30, 2003, the subject application issued as a Patent without the requested amendments. Examiner Brenda Brumbeck was contacted and informed this office, in a telephonic message, that she did not “see any record that a 312 amendment was received or matched with the case.” She further indicated “that is probably why the claims are not showing in the issued patent” and suggested applicant file a Certification of Correction.

Due to the U. S. Patent and Trademark Office’s error and oversight, Applicant’s patent issued without the additional claim amendments. Therefore, as instructed by Examiner Brumbeck, we are submitting a Certificate of Correction with the proposed amendments to claims 22 and 23 (now Claims 8 and 9 on issued patent) and adding claims 10-41 (renumbered to correlate with claims on issued patent). Applicant respectfully requests replacement of the issued claims 8 and 9 and the addition of new claims 10-41 as indicated in the Certificate of Correction submitted herewith.

The Commissioner is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 03-1952, under Docket No. **240042052403**.
